Toddler Time is an outreach of St. Michael's Episcopal Church. Our philosophy is to promote the needs of the individual child through developmentally appropriate activities enhancing spiritual, physical, emotional, social and cognitive growth in a nurturing Christian environment. Our purpose is to further St. Michael's mission statement: Transforming Hearts Through Jesus Christ

Toddler Time is a program created to nurture the young child. The curriculum is designed to meet the needs of toddlers who are developing personal freedom as their mobility matures and their curiosity about their environment increases. The program will allow toddlers a chance to participate in group play and independent activities that facilitate the development of a strong sense of self.

Toddler Time promotes learning in a nurturing Christian environment.

Some Toddler Time teachers hold degrees in education and all have experience working with young children.

Toddler Time is a one year program designed specifically for children ages 12-24 months. Children who are 12 through 19 months old by September 1 are eligible for enrollment. We will look forward to celebrating the joys of birthdays throughout the year.

Classes are small to ensure individual attention. Enrollment is limited to 12 children per day.

Members of St. Michael's Episcopal Church receive priority enrollment. Enrollment from the community will be on a first-come, first-serve basis.
