**THE PRAYERS OF THE PEOPLE: HC**  
**Sunday, September 8, 2019**

*Officiant* Heavenly Father, thank you for Solomon, his prayer, his vulnerability and even his brokenness. Even in our own brokenness, help us to be all in not only in our walk with you, but in our walk with your bride the church. Help us be all in with each other as a church, so we can care for each other and therefore make the highest impact in our families, our community, the nation and the world.

*Officiant* We ask you to pray for God's people throughout the world; for Mark, our Bishop, for Foley, Archbishop of the Anglican Church of North America, for Justin, Archbishop of Canterbury; the congregation of St. Michael's Church; and for all missionaries both local and abroad.

*All* ***Lord, we pray for the Church.***

*Officiant* We ask for your prayers for our government officials, President Trump, Governor McMaster and John our Mayor, and all those in a place of authority in our nation.

*All* ***We pray for our City, State, and Nation to be a beacon of Christ's love.***

*Officiant* We ask for your prayers for peace in our families; for husbands and wives, moms and dads, brothers and sisters; and for the well-being of all families.

*All* ***We pray for grace to abound in our midst.***

*Officiant* We ask for your prayers for our schools, teachers, coaches, and students here in our community (Please lift up the name of your school at this time!)...PAUSE... and all other schools.

*All* ***We pray for God to be made known in our schools.***

*Officiant* We ask for your prayers for the poor, the sick, the hungry, the oppressed, the depressed, the unemployed, the persecuted, the lost, for those who mourn, and for those in prison.
